Dear Gene.

Thank you for your nice long letter, which I should have acknowledged long ago, but I have had neither time nor strength as this entire month has been full of house-guests. Unavoidably their visits over-lapped and I am over-done in result.

Phil and Elizabeth Simmons left this morning by train for Jacksonville where they spend a few days with friends and Dickie plans to fly down on Wednesday. They both really are dears.

You may remember that last autumn I said that I would give a buffet-supper party in November or December for the choir and Music Committee at my apartment as we had not had an opportunity to really know the soloists, all of whom are new since we had such a party several years ago.

But Rice felt that they were all too busy rehearsing for Thanksgiving, Christmas Choir Treats etc. and that Spring would be

a better time. Although I did not agree, as I feel that the new members of both Chorus and quartet come in the Autumn and the whole point in my giving such a party is for us to know the in-coming rather than the out-going members of the choir, I am afraid that the matter was left right there -

For various reasons, which I shall explain when I see you, I have decided that I cannot give such a party this Spring but I shall be delighted to give it next Autumn. It is a tremendous amount of work and planning for me and is only worth doing when it will accomplish it's purpose -

I plan to be back at 944 by evening on March 29th and hope that all is going well with the arrangements for March 30th and that the organ is finished.

With love to Sunny and you

Affectionately -

Florence -
